SPICES FOOD COMPANY

*Complete Pepper Product Solutions*

## ABOUT US

Vardhaman Spices Food Co is a food processing company which had started in the year 1996. We are mainly into processing of Black Pepper, which is also known as the Black Gold in the southern part of India, into more than 20 different items which are then further use in food processing industries.

Along with that we also manufacture finest blend of Tea Masala and Dry Ginger Powder. We primarily process Indian grade of spices which are of the best grade around the world.

We also manufacture best quality premium handmade khakhras. These healthy roasted gujrati & rajasthani snack are simply delicious and mouthwatering.
